WELCOME TO GOODWILL INDUSTRIES!

A MESSAGE FROM THE PRESIDENT/CEO

"Our business works, so people can!" is more than just a motto at GWINWOH; it is at the core of our purpose as an organization. Our mission is to help those we serve overcome their barriers to employment. For over 85 years, Goodwill has helped thousands of people throughout Northwest Ohio. We are very proud of our mission, heritage and Team Members.

This Employee Handbook outlines Code of Ethics, personnel policies, operational procedures and other key elements of our organization. The contents herein are a very important part of each work day and I encourage you to review in its entirety. If there is something that you do not understand, please ask your supervisor or any Human Resource Team Member for clarification.

Thank you for choosing GWINWO as your place of employment. It is our hope that your experience is positive, motivating and most of all *fun*. I look forward to working with you and transforming lives through the *Power of Work!*

Best wishes for success,

Amy Wachob
President/CEO
Goodwill Industries of Northwest Ohio, Inc.

"GWINWOH AND YOU"

The mission of GWINWOH is to help disabled and disadvantaged men and women become employable and find jobs in the community. People know GWINWOH as a place to buy used clothing and furniture, but selling items is not our main purpose:

OUR BUSINESS WORKS SO OTHERS CAN!

GWINWOH stores along with industrial subcontracted work, aftermarket sales, rehabilitation service fees, grants, and private donations, are all important financial sources of support for GWINWOH programs.

Thus, our primary focus is providing workforce development services. Some of these services provided by GWINWOH include work evaluation, total adjustment, janitorial training, clerical training, retail sales training, community work experience, job seeking skills training, and job development and placement.

Since 1933, GWINWOH has proudly served the Northwest Ohio region. The corporation is governed by a volunteer Board of Trustees who are elected from the community and serve without pay. Management is provided by the President/Chief Executive Officer(CEO) and the executive team including the Chief Financial Officer(CFO), Chief Mission Officer(CMO), Director of Commercial Services, Director of Mission Services, , Director of Logistics, Director of Retail Operations and Director of Human Resources/Safety. A team of professional and technical employees assist the President and the executive team.

GWINWOH is a member Goodwill Industries International and the Ohio Association of Goodwill Industries. GWINWOH is accredited as a rehabilitation facility by the Commission on Accreditation of Rehabilitation Facilities.

WHAT, THEN IS GWINWOH?

ALWAYS REMEMBER YOU, IN PART, ARE GWINWOH!

At GWINWOH, we have a saying, "Our business works, so people can!" In other words, your work efforts will make it possible for others to overcome their barriers to employment and begin leading productive, self-sufficient lives.

Because this handbook is not contractually binding, you retain your normal right to terminate our employment relationship at any time, with or without any notice or reason, and we, of course, retain the same right. No one other than the Chief Executive Officer [President] of GWINWOH is authorized to make binding employment contracts, and such contracts will be recognized only if they are in writing.

The information in this handbook reflects a general description of the policies, procedures and services and benefits applicable to GWINWOH employees, but because of constant updates by GWINWOH on the part of management, the content of some items may not be accurate. Employees will be notified of any changes in policy or procedure by distribution of memorandums and/or posted notices.

The policies, procedures, benefits, and explanations provided herein are effective January 1st of 2022. All prior policies, benefits, procedures, etc. are hereby superseded.

This handbook applies to all GWINWOH employees.

The failure of GWINWOH to exercise any prerogative or function in a particular way shall not be considered a waiver of the employer's right to exercise that prerogative or function in some other way.

Goodwill Industries of Northwest Ohio, Inc. Employee Handbook	Section 1
Section Name: Welcome	Page 5 of 5 Revised 2022

PURPOSE OF THIS HANDBOOK

This Handbook has been prepared to inform you about GWINWOH's history, philosophy, employment practices, and policies, as well as the benefits provided to you as a valued employee, and the conduct expected from you.

No employee handbook can answer every question, nor would we want to restrict the normal question and answer interchange among us. It is in our person-to-person conversations that we can better know each other, express our views, and work together in a harmonious relationship.

We hope this Handbook will help you feel comfortable with us. Please don't hesitate to ask questions. Your manager will gladly answer them.

We ask that you read this Handbook carefully, and refer to it whenever questions arise.

GWINWOH's policies, benefits and rules, as explained in this Handbook, may be changed from time to time as business, employment legislation, and economic conditions dictate. When provisions are changed, you will be given replacement pages for those that have become outdated. A copy will also be placed on our bulletin boards.

The policies in this Handbook are only intended to serve as guidelines. GWINWOH, at its option, may change, delete, suspend or discontinue any part or parts of the policies in this Handbook at any time without prior notice. Any such action shall apply to existing as well as future employees with continued employment being the consideration between the employer and employee.

Employees may not accrue eligibility for monetary benefits (provided for in writing) that they have not earned through actual time spent at work. Employees shall not accrue eligibility for any benefits, rights, or privileges beyond the last day worked.

No one other than the Chief Executive Officer [President] of GWINWOH may alter or modify any of the policies in this handbook. No statement or promise by a supervisor, manager, or department head may be interpreted as a change in policy, nor will it constitute an agreement with an employee.

Should any provision in this employee handbook be found to be unenforceable and invalid, such finding does not invalidate the entire employee handbook, but only the subject provision.

This handbook replaces all other previous handbooks for GWINWOH as of January 1st of 2022.

**CULTURAL COMPETENCY AND DIVERSITY, EQUITY, INCLUSION (DEI)
STATEMENT**

Goodwill Industries of Northwest Ohio is committed to improving the lives of people with disabilities or other disadvantages through employment training and job placement opportunities. Goodwill achieves this mission by interacting with the respective communities to which it serves. Each community, and our community as a whole, is comprised of diverse people from a variety of backgrounds.

In order that we better our services, Goodwill finds it very important to pay attention and recognize individuals within the community by respecting and acknowledging what makes us all different and unique. Goodwill Industries of Northwest Ohio has a plan which addresses the cultural competency and diversity of the persons who Goodwill serves, the persons who are Goodwill employees and affiliates, and all other persons who have a stake in Goodwill and what Goodwill does (e.g., Board of Trustees, Donors, Customer, and the community as a whole).

Goodwill addresses persons of culture, age, gender, sexual orientation, spiritual belief, socioeconomic status, language, veteran status, and (dis)ability. This plan design demonstrates the understanding and care Goodwill places on all individuals regardless of where they are in life. Goodwill also reserves the right to continue to understand individuals while knowing that not every individual in the community will respond positively to Goodwill's understanding.

This part of what it means to be different and diverse-to be entitled to one's own opinion. Goodwill respects and embraces the variety of cultures of which it is privileged to be a part. Our vision is to demonstrate local, regional, and global leadership in providing life-enhancing services to people with barriers to employment is realized through Goodwill exacting its Cultural Competency and Diversity Plan.

Goodwill seeks to improve the quality of life for all staff, persons served, families, and organizations that come into contact with our agency. Through this commitment, we will enhance our awareness, compassion, and ability to interact with others who are different than ourselves with dignity, respect, patience, and understanding.

Harassment may not include sexual harassment and abuse may include unwelcome sexual advances, requests for sexual favors, other verbal or physical contact of a sexual nature when such conduct creates an intimidating environment, prevents an individual from effectively performing the duties of their position, or when such conduct is made a condition of employment or compensation, either implicitly or explicitly.

Responsibility

As a GWINWOH employee, you are partly responsible for keeping our work environment free of harassment and abuse. Any employee who becomes aware of a problem or concern must report it to your supervisor or the Director of Human Resources immediately.

If you have a second job or participate in a possible conflicting business or financial activity, you must notify your supervisor immediately. Your supervisor will thoroughly discuss the opportunity with you to make sure that it will not interfere with your job at GWINWOH, nor pose a conflict of interest.

5. The investigation will be completed as soon as is practical and the results discussed with the individual filing the complaint.

Procedure: Fabricated or Distorted Reports

1. Disciplinary action may be taken if GWINWOH concludes, that the report of wrongdoing was knowingly fabricated by the employee, or was knowingly distorted, exaggerated or minimized to either injure someone else or to protect the reporting party or others.
2. An employee whose report of misconduct contains admissions of personal wrongdoing, will not necessarily be guaranteed protection from disciplinary action. The weight to be given the self-confession will depend on all the facts known to GWINWOH at the time it makes its disciplinary decisions.
3. In determining what if any disciplinary action may be taken against an employee, the company will take into account an employees own admission of wrongdoing; provided that the reporting employees conduct was not previously known to the company or its discovery was not imminent, and that admission was truthful.

WEAPONS POLICY

Purpose:

GWINWOH is instituting this Weapons Policy in an effort to ensure a safe working environment that is free from violence, and the threat thereof, for its employees, management and the general public.

Policy:

1. Immediate termination of employment.
2. Confiscation of any weapon.
3. Removal of the person from company property.
4. Immediate notification to police authorities.
5. Criminal prosecution.

While GWINWOH takes a "zero tolerance" position on any violation of this policy, GWINWOH may use sole discretion in determining whether, under circumstances, a course of action other than specified above is warranted.

CRITICAL INCIDENT REPORTING POLICY

Purpose: To ensure the safety of employees and clients and prevent the occurrence of critical incidents.

Personnel Affected: All GWINWOH employees and clients.

All incidences involving employees are to be reported immediately to the supervisor and Director of Human Resources. If the supervisor or Director of Mission Services is unavailable, contact the Human Resources Department. Legal requirements regarding reporting of incidents to the proper authorities will be adhered to.

Each individual with information regarding an incident will complete a critical incident report form. Please note "near misses" can indicate that there is a serious accident waiting to happen, so it is important to document near misses as well.

An investigation will be conducted by the Director of Mission Services and/or Director of Human Resources. The investigation may include interviews of all clients, employees and witnesses. A written report, with recommendations when appropriate, will be submitted to the Executive Director. The Executive Director will review the report and make a decision as to what action will be taken. The Executive Director may conduct further investigation if deemed necessary.

Prompt emergency care will be provided, as needed. A list of employees trained in first aid and CPR is posted by the first aid kit at all locations. Call 911 if urgent care is needed.

Copies of all incident reports and investigation notes will be maintained for five years in the Human Resources department.

Prevention of Critical Incidents

GWINWOH realizes there are proactive steps that can be taken to help deal with critical incidents before an emergency occurs.

The Safety Committee will be responsible for identifying monthly training for a designated trainer to facilitate with staff. Topics will include but are not limited to the following:

- Blood borne pathogens,
- first aid/CPR
- slips and falls;
- vehicle safety
- violence
- fire and emergency evacuations
- accident reporting
- SDS

Remediation of Critical Incidents

Individual Review of Incidents

Each incident will be reviewed by the direct supervisor and documented on the incident report form. The supervisor will identify areas for improvement and communicate the information to the appropriate parties. Areas for improvement may include retraining, counseling, etc.

Annual Written Analysis

By the last Full Board Meeting, GWINWOH leadership will develop an annual analysis of all critical incidents. After gathering a sufficient quantity of data, the analysis must address the following with regard to critical incidents:

- causes;
- trends;
- actions for improvement;
- results of performance improvement plans;
- necessary education and training of personnel;
- prevention of recurrence; and
- internal and external reporting requirements.

PERSONAL EQUIPMENT LIABILITY POLICY

GWINWOH will not be responsible for the repair or replacement costs for any personal employee property, whether it is being used for personal use or for GWINWOH business related purposes.

RIGHT TO SEARCH POLICY

GWINWOH reserves the right to inspect and search all company and employee vehicles, packages, containers, briefcases, purses, lockers, desks or any employee belongings or property contained on company premises as well as persons entering company property.

Any employee failing or refusing to promptly permit a search or inspection under this policy will be subject to disciplinary action up to and including termination of employment.

*** All policies and procedures stated in Section 2 will be reviewed at time of orientation and on an annual basis with all employees.**

SOCIAL MEDIA POLICY

Purpose: To inform employees of GWINWOH's policy and procedures in regard to social media usage.

GWINWOH understands that social media tools such as content-sharing websites, blogs, micro-blogs, online forums, and other digital channels established for online interaction and connection are rapidly becoming popular channels of communication. Examples include Facebook, Twitter, LinkedIn, Flickr, Pinterest, Live Journal, YouTube, and Wikipedia. This Policy establishes required procedures for GWINWOH employees who have a business-related need to use social media sites, including any GWINWOH hosted social media site. This policy also establishes guidelines for personal use of social media sites by GWINWOH employees.

GWINWOH employees, who choose to be responsibly involved in social media, should be mindful that GWINWOH's brand is best represented by its people; your actions may reflect on GWINWOH's brand. This includes various forms of web publishing and discussion, including blogs, wikis, file sharing, user-generated audio/video and social networks.

GWINWOH's participation in social media enables the agency to contribute to dialogue on a range of issues that impact the mission and business areas, and allows GWINWOH to learn from others and share the exciting things that we are learning and doing.

Agency Use

Content on any GWINWOH social media site should promote GWINWOH's mission, generate revenue, increase recruitment/involvement and foster interaction among employees, the public, and the individuals we serve. GWINWOH, in its sole discretion, retains the right to monitor, access, change, and/or terminate any GWINWOH hosted social media site.

All GWINWOH hosted social media sites will be managed by designated administrators from the Marketing, Workforce Development, and IT departments. In particular, GWINWOH's Facebook page will be maintained and updated by GWINWOH's designated staff under the supervision of the office of CFO/IT. That effort includes monitoring content and questions in addition to active recruitment of new subscribers or "fans."

Use of Social Media (of any type) on behalf of GWINWOH must be authorized by the CFO, CMO, IT Department or an authorized designee prior to participation or use of any kind.

GWINWOH, through site managers or administrators, will not publish and/or will remove material (once discovered) that is contrary to GWINWOH's mission or its policies and procedures, including without limitation, its policies against workplace harassment and discrimination.

If GWINWOH's social media sites are not functioning, then designated GWINWOH employees from the Marketing Division will be responsible for communicating to our subscribers and readers in some other capacity if feasible. If no other form of communication is available, then GWINWOH will reference the downtime when the social media site is not operating.

GWINWOH, through site managers or administrators, will not publish material that violates applicable state and federal laws. GWINWOH will abide by applicable copyright, trademark, trade secrets, patents, and fair use laws and shall not use or reproduce any copyrighted text, photos, graphics, video, or other material owned by others without the necessary documented authorizations from the rights holder(s). Any and all images, likenesses, video, or audio posted on a GWINWOH social media site will be: in the public domain, owned by GWINWOH or will have the necessary credit/approval, with proper media release documentation on file.

GWINWOH reserves the right to publish, without written approval, images of employees that are taken at GWINWOH events. Any employee who wishes otherwise must make a formal request, in writing with the Human Resources department, that GWINWOH not use that employee's image. GWINWOH will not claim authorship of someone else's work, image or product. Use of another person's or agency's content, must be attributed to that person or agency. Plagiarism is forbidden.

GWINWOH will protect the privacy and confidentiality of the individuals we serve. Federal and state laws prohibit the disclosure of information about the individuals we serve. GWINWOH will not use or disclose personally identifiable information (oral, written, or electronic) information about those individuals. That includes their identity, medical information, or a photograph. Photographic use will have signed consent form.

GWINWOH will adhere to and follow all Terms and Conditions related to each social media site in which GWINWOH has a virtual presence.

Personal Use

In general, GWINWOH views social networking sites, personal websites, and weblogs positively and respects the right of employees to use them as a medium of self-expression. Whether a GWINWOH employee opts to create or participate in social media sites for personal reasons is his/her own decision. "Personal" use of social media is defined as any participation that is not specifically authorized by GWINWOH.

Social media activities are personal and should be done on non-work time unless you have specifically been authorized to perform online activity related to your GWINWOH responsibilities as an employee during work time. Personal postings cannot include GWINWOH's logos or trademark and must not link to any GWINWOH Web site. Your use of social media sites through GWINWOH equipment must be job-related for an approved social media application/project. Accessing personal social media site accounts from a GWINWOH computer during the work day is strictly forbidden.

You may be held responsible for any material you publish that would be contrary to GWINWOH's mission, policies and/or procedures, including without limitation, its policies against workplace harassment and discrimination (i.e. cyber-bullying).

Be mindful that what you write will be public for an indefinite period of time – even if you attempt to modify or delete. Take time to make sure your posts are complete and accurate. Never knowingly communicate untrue or deceptive information. Be careful and considerate. Please understand you may be subject to liability if your material is found to violate any applicable local, state, or federal law. You also may be liable if your postings include copyrights, trademark, trade secrets, patents, or Confidential Information (e.g., text, videos, music, etc.) belonging to third parties and/or GWINWOH. Please fully understand the legal consequences of your actions.

Federal and state laws prohibit the disclosure of information about the individuals we serve. Do not use or disclose personally identifiable information about those individuals in any form. That includes their identity, medical information, or a photograph. Even if an individual is not identified by name within the information you wish to use or disclose, do not publish any information that may allow reasonable inferences to be drawn which could identify an individual we serve. Such use or disclosure could constitute a violation of federal and state law.

Every social media site in which you communicate online has its own rules – often called Terms and Conditions. You must respect those site’s rules. They may be more restrictive than you might assume. Therefore, you must be knowledgeable about the scope of your online activities within the context of each site’s rules.

Do not disclose GWINWOH’s confidential business information and trade secrets (“Confidential Information”) to persons outside of GWINWOH without prior written authorization from the President/CEO. Confidential Information also includes non-public information that donors and individuals that we serve (and their families) entrust to us. This also can include information about our suppliers, vendors, and business partners that has been disclosed to GWINWOH under obligations of confidentiality. Do not cite or obviously reference GWINWOH’s suppliers, vendors, or business partners without their prior approval (confirmed with a signed authorization/release form) from them and the Marketing Department (or authorized designee). Confidential Information does not include information concerning the terms and conditions of your employment.

If you identify yourself as a GWINWOH employee on a social media site, and your post has not been approved by the Marketing, then you must make it clear that your posts (or views) are your own and do not represent the views of GWINWOH. You should do so by using the following disclaimer: “The postings on this site are my own and do not represent GWINWOH’s positions or views.” Only certain designated GWINWOH employees have authority to speak on GWINWOH’s behalf.

Always refer to persons first before adding any label (e.g., disabilities). For example, if you refer to GWINWOH’s mission, state “Goodwill Industries of Northwest Ohio assists people with barriers to employment to achieve independence.” Do not state “GWINWOH serves disabled people.” That phrase is not acceptable. If the news media or a blogger contacts you about your business-related posting, please refer that person to the Marketing Department so the inquiry can be directed to the appropriate and authorized GWINWOH representative.

Be mindful of the content of your oral, written, and electronic communications with the individuals we serve, parents and providers of the individuals we serve, and referral sources. In particular, GWINWOH discourages “friending” (or the equivalent language) the above-referenced individuals on Facebook or any other type of social media. Without devoting the necessary thought and focus to them, online communications can be hurried, incomplete, unprofessional, and/or far too casual. As a result, those postings may lead to misperceptions, misunderstandings, violations of that individual’s privacy and confidentiality rights, and potential conflicts of interest. If, for some reason, you choose to “friend” an individual we serve, understand that GWINWOH’s various policies (including its “fraternization with individuals we serve” policy) will apply. Violations will be investigated and may result in disciplinary action, up to and including termination of employment.

While generally what you do on your own time is not GWINWOH's concern, anything you post will ultimately be your responsibility. Your personal online communications are individual interactions, not GWINWOH communications. If you choose to participate in a social media site, please exercise sound judgment and common sense.

You are encouraged to ask any questions you may have about this Social Media Policy and/or possible posting opportunities. Please contact GWINWOH's CFO, CMO or IT Manager.

Depending on position and location worked within the organization, employees will either have the option to punch in and out using a computer, tablet or a cell phone.

If an employee leaves the premises for any reason [other than GWINWOH business] before their scheduled quitting time, they are required to punch out and punch back in upon returning to work. Employees are responsible for verifying their timecards are correct and notifying their supervisors of any discrepancies such as missed punches. If needed, these corrections will be made to an employee's electronic timecard by their Supervisor or Executive Staff member in charge of the department. For payroll purposes, hours punched are rounded to four decimal places.

Electronic time cards need be approved by a supervisor before they can be processed for payroll.

Usually, exempt status employees are paid on a salary basis while non-exempt employees are paid on an hourly basis.

OVERTIME

Overtime applies to non-exempt employees covered by applicable wage and hour laws and working more than a forty (40) hour work week. Overtime is paid at the rate of time and one half (1 ½) based on the employee's hourly rate.

All overtime worked must be approved in advance by the supervisor.

Certain executive, professional and administrative employees are exempt from the overtime provisions of the Fair Labor Standards Act. Your supervisor or the Human Resources Department will inform you as to your exempt or non-exempt status under this act.

"NON-EXEMPT" AND "EXEMPT" EMPLOYEES

Non-Exempt

At the time you are hired, all employees are classified as either "exempt" or "non-exempt." This is necessary because, by law, employees in certain types of jobs are entitled to overtime pay for hours worked in excess of forty hours (40) per work week. These employees are referred to as "non-exempt" in this Handbook. This means that they are not exempt from (and therefore should receive) overtime pay.

Exempt

Exempt employees may include managers, executives, supervisors, professional employees, technical employees, outside sales representatives, officers, directors, owners and others whose duties and responsibilities allow them to be "exempt" from overtime pay provisions as provided by the Federal Fair Labor Standards Act (FLSA) and any applicable state laws. If you are an exempt employee, you will be advised that you are in this classification at the time you are hired, transferred or promoted.

Exempt employees must use their accrued sick time when an absence is due to an illness or injury. If an exempt employee's sick time is exhausted, GWINWOH may dock the employees pay for any absences of one or more full days due to illness or injury.

It is GWINWOH's policy to comply with salary basis requirements of the FLSA. Therefore, GWINWOH prohibits all company managers from making any improper deductions from salaries of exempt employees. GWINWOH wants employees to be aware of this policy and that GWINWOH does not allow deductions that violate the FLSA. Exempt employees that believe an improper deduction has been made to their salary should immediately report this information to the direct supervisor.

Reports of improper deductions will be promptly investigated. If it is determined that an improper deductions has occurred, the employee will be promptly reimbursed for any improper deduction made.

Any employee exiting any of the Goodwill buildings through other than approved exits, unless on company business, or in the event of an emergency, is subject to disciplinary action.

DRESS, GROOMING AND PERSONAL HYGIENE GUIDELINES

Unlike some businesses which provide employees with strict do's and don'ts for dress, grooming and hygiene, GWINWOH recognizes individual taste, preference, custom, and comfort in clothing and appearance. However, it is expected by GWINWOH's management that all GWINWOH employees will exercise good judgment and taste in selecting clothing which:

1. Is appropriate for the job that the employee or client is doing in comparison to generally accepted standards of other community employers, and;
2. Is **not** extreme, distracting, or attention-seeking to the extent that employee productivity is reduced and;
3. Is appropriate in relation to varying climatic conditions, and;
4. Positively enhances the image of GWINWOH as a community agency providing professional rehabilitation and sheltered employment services, and;
5. Is consistent with safety and health regulations, and;
6. Is clean, neat, in good repair, and free of extraordinary odor, and;
7. Is acceptable in the context of the particular work area to which the person is assigned. Here, because of the variety of work activities conducted at GWINWOH, it is reasonable that some dress, grooming and personal hygiene standards will vary somewhat from one department to another.

Common sense and prudence will help supervisors determine what is appropriate and what is not. Thus, it will ultimately be the prerogative of your supervisor to establish - given final approval from the President - acceptable standards for personnel under their supervision. Program Managers may determine what is appropriate for their clients within the basic guidelines.

DRESS, GROOMING AND PERSONAL HYGIENE GUIDELINES (CONTINUED)

Minimum clothing shall include appropriate combinations of shirts and slacks [pants], shirts and skirts [dresses], hose and/or socks, and undergarments. Generally, the following items of clothing are not acceptable: fishnet shirts, tank tops, undershirts worn as an outer-garment, T-shirts with profanity or suggestive slogans, crop shirts, halter tops, sweat-clothing or jogging suits, shorts or cutoffs, see-through or revealing garments, thongs, sandals, sunglasses (unless prescribed in writing by physician).

VISITORS

It is the expectation of GWINWOH management that visitors or friends of employees will not interfere in normal workday activities. Visitors are not permitted in any non-public area unless on official tour. If a visitor wishes to contact an employee concerning an emergency, he or she should do so through the appropriate department's supervisors. Violation of this policy will result in severe disciplinary action up to and including immediate termination.

Section Name: General Procedures	Page 7 of 10
	Revised 2022

EMPLOYEE ENGAGEMENT

GWINWOH promotes employee feedback and engagement through the efforts and use of numerous mechanisms. Some of these mechanisms include but are not limited to:

Town Hall Meetings - These meetings will be held routinely at each Goodwill location and will involve leadership staff. Topics will vary depending on employee feedback and interest with open discussion encouraged.

Employee Newsletters - Newsletters and Informational Flyers will be regularly distributed to staff. These will include information pertaining to organizational direction, mission successes and upcoming events.

Employee Surveys - Occasionally employees will be asked to participate in organizational surveys to provide feedback.

Open Door Policy - Employee engagement and communication will be encourage through the practice of an open door policy.

Bulletin Boards and Website - Updating and posting on bulletin boards is a means of keeping everyone informed about new policies, changes, in procedures and special events.

CAREER ADVANCEMENT

Goodwill promotes internal job placement through the use of **Internal Job Tickets** and the updating of a **Current Job Opportunities Board**.

Internal Job Tickets are distributed each week whereby Managers can list all open positions in their respective locations. The openings listed on the Internal Job Ticket are then used to update a Current Job Opportunities Board which is then distributed to all personnel on a weekly basis. Current Job Opportunities Boards include the type of open position, Part time or Full time status, location and contact information to apply.

All vacant Executive and Pro-tech positions will also be communicated to staff by means of an internal job posting at each location.

TRAVEL AND LODGING REIMBURSEMENT

All travel, meals, and lodging required in fulfilling job duties must be authorized and approved by the appropriate departmental supervisor or the President. A voucher for reporting such information will be made available by the department supervisor and are to be turned into the immediate supervisor and the end of the month. Reimbursement policies are as follows:

Local travel mileage, with use of **personal** automobile will be reimbursed at the current rate determined by the President. (Travel reimbursement does not apply to regular scheduled job-sites.)

Travel with **personal** automobile to distant conferences will be reimbursed at such current rate providing the total amount does not exceed air coach fare for the same distance. The lower cost shall always prevail for reimbursement purposes.

Authorized meals and overnight lodging will be reimbursed providing they are within a reasonable amount. Receipts must be provided for all expenses.

CATASTROPHIC BUSINESS INTERRUPTION POLICY

An unforeseen catastrophic event is an internal or external disaster that one cannot prepare for. In the event that GWINWOH is mandated by a Third Party to shut down any location due to unforeseen catastrophic circumstances, employees at that job site may use accrued vacation or floating holiday time to replace the scheduled working hours they have missed. If the employee chooses not to use vacation or floating holiday time or does not have adequate time accrued, the absence will be unpaid.

In the event that GWINWOH chooses to shut down or adjust working hours of an individual(s) due to lack of business, employees may not use accrued vacation or floating holiday time. Any deviation of work schedules, whether mandated by a Third Party or by choice of GWINWOH, will not count as an occurrence against any affected employee.

If the location is open, all employees are to work their scheduled shift. Any deviation from the posted schedule will result in an occurrence (see attendance policy).

If an employee lives in another county that is under a level 3 (however, where they are employed is not); they will not receive an occurrence for missing work as long as that county remains under a level 3. However, if and when that level 3 is lifted, they are expected to report to work.

The decision to close a location due to bad weather is strictly limited to the CEO/President of GWINWOH.

Goodwill Industries of Northwest Ohio, Inc. is a workplace culture whereby in-person workdays is considered the norm. There are positions within the organization whereby remote workplace access is an option in extreme cases. These extreme cases may include Catastrophic Business Interruptions or extenuating personal emergencies/illnesses. In such cases, approval is necessary to access remote work privileges. Approval must be based on qualifying events. If remote access does not qualify, employees may have the option of using accrued vacation or sick time depending on the event.

PERFORMANCE APPRAISAL REVIEW PROCEDURES

Goodwill Industries of NW Ohio is committed to delivering formal job performance feedback to all of our employees in order to review the role and expectations, provide encouragement, and offer development opportunities. As such, performance reviews will be completed at least annually for all Goodwill employees. Informal job performance feedback will be provided by the employee's supervisor on an ongoing, ad hoc basis.

The formal performance reviews will be completed by the employee's supervisor on the anniversary date of the employee's pay rate change. Typically, this date will be the actual date of hire, but may also be the last date of a promotion, demotion, transfer, job change, or other position adjustment. Following are the procedures involved in implementing the Performance Appraisal process:

1. To ensure new employees understand the scope and role of their position, each employee will be provided with the position's Job Description and Performance Appraisal document upon hire. The employee is expected to review this document at that time and acknowledge receipt of this document by signing and dating the form.
2. The Job Description and Performance Appraisal documents will, at a minimum, include:
 - i) Job Description
 - (1) Summary of Goodwill's Mission
 - (2) Summary of Primary Purpose of the position

 - (4) Job Qualifications, Skills and/or Experience
 - ii) Performance Appraisal

 - (b) Comment section for reviewer which is to include opportunities for development.
 - (2) General job performance measures
 - (3)

- (a) Explanation of performance rating and scale
 - (b) Comment section for reviewer which is to include opportunities for development.
 - (4) Performance Goals
 - (a) Employee goals established by the supervisor
 - (i) Will be specific, measureable, achievable, relevant and time-based
 - (ii) minimum of 3 goals will be established in order of priority
 - (b) Whether employee met prior year's goals
 - (5) Comment section for employee
 - (6) Overall performance score
 - (7) Signature and date lines for supervisor and employee
3. The Director of each department will review and revise all Job Description and Performance Review Appraisal forms for all positions under their direction annually. The HR department will distribute the forms to the Directors and other executives.
4. The HR department is responsible for determining which employees are due for a review each month.
5. Review notice forms will be prepared and distributed by the HR department to supervisors along with Job Description/Performance Review forms to be completed each month. A copy of an employee's prior year review, if available, will also be provided to the supervisor at this time. Review notices will indicate the date the employee review is due and whether or not a wage increase may be applicable.
6. The supervisor will then complete the Job Description/Performance Appraisal, meet with the employee and review the form with the employee. The employee is highly encouraged to discuss the review with their supervisor and to provide both verbal and written feedback to their supervisor. Opportunities for employee performance improvement and development will also be part of this discussion.
7. If the employee disagrees with their supervisor's review of their job performance, the employee will be encouraged to follow the Goodwill Appeal/Grievance Procedure as outlined in Section 9 of the Employee Handbook.
8. Once the Performance Review discussion is completed, the supervisor and employee must sign and date the form. The supervisor will send the completed and signed form to the HR department. The HR department will file the completed review in the employee's Personnel file.

ABSENCE REPORTING

When an employee will not be present for their scheduled shift for any reason, the employee must notify the manager on duty **before** their scheduled shift if they are going to be late or calling off for the day. If leaving work early, the employee must notify the manager on duty as well before departing from work. Any deviances will be considered and ***“improper call-in”***.

If an employee fails to notify the manager **before** the start of their shift if they are calling off for the day, this will be considered a ***“no call no show”*** as well as an ***“improper call-in”***.

If proper call-in procedures are not followed, disciplinary action may follow. Please refer to section 7. Both ***“three day no call no show”*** terminations and failure to report absences or late arrivals are discussed.

You must call in each day you will be off work. If you start to feel better, you are encouraged to report to work.

Failure to follow the above procedures may prevent the use of sick pay for time lost.

DOCTOR'S RELEASE

Under most circumstances absences for two (2) or less working days in a row are considered casual absences and no documentation is required unless Family Medical & Leave Act leave is requested.

Absences lasting more than two working days in a row require a doctor's release to return to work. Employees must also submit a request for a "Personal Leave of Absence" or FMLA for any time off amounting to more than 2 days. Refer to Section 6 pages 7 and 8

If GWINWOH management has reason to believe that the absence due to illness or any other personal reason is not legitimate, it reserves the right to require a doctor's release before the employee can return to work.

ATTENDANCE AND PUNCTUALITY STANDARDS

It is unacceptable to have four (4) or more occurrences of any combination of absence, tardiness, or leaving early in any six (6) month period. Occurrences are defined as any unexcused absences from working. The supervisor for any employee who exceeds the acceptable number of occurrences in any six (6) month period will take appropriate corrective action up to and including termination. Each additional occurrence may result in further disciplinary action if the last occurrence can be grouped with other previous occurrences in a six month span totaling 4 or more occurrences. Supervisors may issue disciplinary action by contacting the employee by phone and leaving a message if necessary. If a good faith effort has been taken to contact the employee via phone call or text messaging, progressive disciplinary action will stand even if the supervisor was not able to leave a message for an employee who does not answer their phone, does not have a voice mail set up to receive the message and or does not have texting capabilities on their phones.

Any absence, tardiness or leaving early amounting to less than half a scheduled shift counts as one-half ($\frac{1}{2}$) occurrence. Tardiness is defined as punching in after the scheduled start time.

Any absence, tardiness or leaving early amounting to more than half a scheduled shift counts as one (1) occurrence.

Each day missed is counted as one occurrence. With proper documentation from a physician, there will be no occurrences issued for time missed involving personal illness or the care taking of immediate family members. Proper documentation needs to cite that either the employee is not capable, excused or unable to work for that period of time as a result of injury/illness or it is medically necessary for the employee to be a caretaker of the immediate family member for the duration of the absence. Upon first day of return, employees must present proper documentation. Any excuses turned in after this day will not be honored and occurrences will be issued. If a Doctor's appointment slip is used to

excuse time missed due to an appointment, occurrences will be issued for excessive time taken off over reasonable visit and travel time to and from appointment.

Employees will be allotted on their date of hire a maximum of five (5) absences to be excused with a Doctor's excuse with the five allotted days renewing on their anniversary date. **Approved** "Personal Requests of Leave" or absences covered by FMLA will not be counted as occurrences or count against the five (5) allotted excusable days. Unused allotted days will not carry over.

It is important not to confuse Doctor excuses with a Doctor's release, which simply states an employee is capable of returning to work. As always, pre-scheduled and approved vacation, holiday, floating holiday, funeral leave, jury duty, federal reserve duty, medical leave and personal leave do not count as an absence for the purposes described above.

JURY DUTY

Regular employees are encouraged to report for jury duty when summoned. The jury duty pay will be deducted from the employee's regular hourly or salary computed pay paid by GWINWOH. Such employees are expected to be at work on days or partial days when not on active jury duty. Payment variance from GWINWOH for jury duty time shall not exceed thirty (30) working days or partial days. Documentation of all jury duty hours will be required. Employees must notify their supervisor in writing and provide copy of jury duty notice at least 14 days prior to possible service.

CIVIL OR CRIMINAL COURT

An employee will not be paid for time absent from work when he or she is personally involved in a civil or criminal court case (unless employee requests to take vacation or other earned time-off). Upon return, employees must present proper documentation which supports the absence.

MILITARY LEAVE

An employee who completes service in any one of the "uniformed services" is entitled to the rights and protection of USERRA (Uniformed Service Employment and Reemployment Rights Act.)

BEREAVEMENT/FUNERAL LEAVE

Bereavement/Funeral Leave is available when you need to take time off due to a death in your current immediate family. The time can be used to arrange or attend funeral or memorial services. The time may also be used to mourn your loss.

You may be granted up to three (3) working days of leave for immediate family. Immediate family is defined as parents, legal guardians, brothers, sisters, children, spouses, grandparents, grandchildren, father/mother-in-laws, step-parents, daughter/son-in-laws, and step-children.

Bereavement/funeral leave for other significant persons, currently living in the employee's household, may be granted upon request.

Leave requests for other significant persons, currently living in the employee's household, must be addressed to the director of the division with a copy to the Director of Human Resources. The Director of Human Resources will let you know in writing if the leave will be paid within five (5) days from the request date.

One day leave with pay may be granted to attend the funeral and/or memorial service of a sister/brother-in-law, grandparent-in-law, aunt or uncle.

Bereavement/funeral leave will be based on the number of hours you normally work. You will be paid at your regular rate for a maximum of three (3) regularly scheduled work days. When the leave occurs during a time when you are not working, you will not be paid for bereavement/funeral leave. For example, scheduled days off, sick days, holidays, vacation, workers' compensation, medical leave, FMLA or layoff.

To request a bereavement/funeral leave, fill out a request for leave form and submit it to your supervisor for approval. The leave cannot be paid until documentation of death is submitted.

Special consideration may be requested for additional time to make arrangements, settle an estate, or to travel out of town. You may use vacation days, floating holidays, or personal days. In extreme situations, unpaid personal time may also be approved.

WHAT IS WORKERS' COMPENSATION?

If you are a GWINWOH employee unable to work because of a job injury, GWINWOH, and the Bureau of Workers' Compensation work together to take care of your medical expenses and pay for your lost wages.

WHO IS COVERED?

As an employee on payroll, you are covered by workers' compensation insurance. In the event of an accident on your job, **you must notify your supervisor immediately. (Note: If an employee tests positive for drugs or alcohol, this may forfeit their right for worker's compensation benefits. See Section 2 P. 3-4)**

WHAT IS COVERED?

An injury or illness is covered if it is caused by your job.

WHEN AM I COVERED?

Coverage begins the first minute you are on the job and continues anytime you are working for GWINWOH. You do not have to work a certain length of time, and there is no need to earn any minimum amount of wages before you are protected.

WHAT ARE THE BENEFITS?

- * Medical care to take care of the injury, including doctor bills, medicines, hospital costs, fees, lab tests, x-rays crutches and so forth.
- * Rehabilitation services necessary to return to work.
- * Payments for lost wages.

HOW DO I GET THE BENEFITS?

All injuries, no matter how slight, must be reported immediately to your supervisor to assure consideration under Workers' Compensation Insurance. Individuals who do not report their injury or illness immediately may be at risk of forfeiting their rights to workers' compensation benefits.

OTHER BENEFITS

Employees returning to work after being absent due to a work related injury must report to their supervisor prior to beginning work, and must bring a doctor's release form stating work restriction in order to return to duty.

GWINWOH, will work with your doctor to tailor job duties for light duty work if possible.

If the injury is very serious - one where you won't be able to work for a year or more - you may be eligible for additional benefits from Social Security. Human Resources will gladly advise employees about benefit relationships.

FAMILY MEDICAL LEAVE ACT (FMLA)

Up to twelve weeks of unpaid leave is available to all regular employees who have worked for the employer for at least 12 months and have worked at least 1250 hours for the employer during the year preceding the leave. Accrued sick time must be used and vacation time/floating holidays may be requested for an employee's own serious medical condition. Accrued vacation time and floating holidays must be used when taking FMLA leave to take care of a family member as defined by the leave act. All remaining FMLA time will be unpaid.

FMLA leave may be used for tending to a serious illness suffered by a member of your immediate family, in the event the illness requires your personal time and attention. For purposes of this section, immediate family includes spouse, child, parent or sibling living in your home. If another person can attend to the needs of an ill family member, you are expected to fulfill your duties as an employee of GWINWOH.

FMLA leave also allows for employees to take 12 weeks of leave for pregnancy, childbirth and related medical conditions regardless of length of service, hours worked or if FMLA leave has been exhausted for other reasons.

GWINWOH, may request proof-of-illness and may also use a company-appointed physician to examine the employee. All employees will be asked to have the patient's physician fill out the FMLA "Certification of Health Care Provider" form.

FMLA leaves are granted only for health or medical reasons and must be proven justifiable and approved by the supervisor in charge of the department. Written requests should be submitted with at least two (2) weeks notice and must be approved, including medical documentation (if possible), before the employee begins the leave of absence.

The length of time for a leave of absence will depend upon both personal and job circumstances. The amount of time taken should be established by agreement. Accruing vacation and sick time stops after one week off the job. If an employee wishes to be retained in the benefits program, he must continue to pay the employee portion of

the premium. An employee taking a medical leave of absence shall be required to submit a doctor's statement indicating the need for such a leave and at the conclusion of such a leave provide a doctor's written opinion that the employee is ready and capable to resume normal duties or return on a modified or light-duty basis.

A "rolling" 12-month period measured backward from the date an employee uses any FMLA leave is used to determine when an employee is eligible for additional FMLA leave. For example, if an employee used 4 weeks beginning February 1, 2000, four weeks beginning June 1, 2000, and four weeks beginning December 1, 2000, the employee would not have been entitled to any additional leave until February 1, 2001. However, beginning on February 1, 2001, the employee would have been entitled to four weeks of leave, on June 1 the employee would have been entitled to an additional four weeks, etc.

In the event an employee who carries any healthcare coverage is granted FMLA and does not have enough accrued PTO time to cover their employee's portion of the premium through the duration of the leave, arrangements will be made, whereby, the employee will be required to pay their portion of monthly premium by means of cash payment or personal check at the first of each month. If the employee fails to do so and payment goes into the arrears one month's payment, Goodwill will exercise their right to transfer the covered employee and any covered dependents onto COBRA coverage.

* To determine FMLA eligibility, please contact the Human Resources Department

PERSONAL LEAVE OF ABSENCE

A personal leave of absence may be requested when the employee is not eligible for the Family Medical Leave (see Family Medical Leave on the previous page) or when there are extra-ordinary personal circumstances requiring the employee's absence from work. Depending upon all the circumstances, including but not limited to our business needs, your overall job performance, length of service (seniority), and the reason for needing the time off, unpaid leaves of absence for limited periods may be granted, in our discretion.

Employees requesting a personal leave of absence must submit a completed application and request for leave form to their supervisor. This form is then sent to the director of the department. The director signs the form and sends it to the Director of Human Resources. To permit advance planning, any request for leave of absence must be submitted at the earliest time you have reason to believe you will have a future need for such leave. The written request must set forth the anticipated length of the absence, with the date of the requested leave and the circumstances that prompted the request. An approved leave of absence will not be extended beyond the date included on the initial written request without further written request and approval.

Accrued sick time must be used and paid vacation time/floating holidays may be requested for an employee's own serious medical condition. Accrued vacation time and floating holidays must be used when taking personal leave for any other reason than an employee's own serious medical condition. All remaining personal leave time will be unpaid.

Being granted a leave of absence does not assure you the right to return to work for GWINWOH or to return to the job you held before you left. It simply means we will make an effort, but are not obligated, to place you in a job upon your return. You will not accrue any length of service (seniority) or vacation while you are on leave. If you fail to accept an offer of reinstatement to a position offered at the end of such leave of absence, you will be deemed to have voluntarily resigned.

If an employee wishes to retain health benefits during the first twelve (12) weeks of personal leave, he/she must pay the employee's portion of the premium. If an employee fall behind more than one month's premium, the health benefits will be cancelled and the employee will have the right to elect COBRA. If an employee wishes to retain health benefits after 12 weeks of personal leave, COBRA benefits must be used. (See COBRA benefits, Section 10, page 3 of 6.)

NOTE: In the case of the Family & Medical Leave or the Unpaid Leave of Absence, if the employee is unable to return to work at the end of the time allotted, their employment with GWINWOH may be terminated. Factors considered in reaching a decision may include length of service, performance and the employee's position. The employee will be encouraged to reapply at GWINWOH when released to work.

In the event an employee who carries any healthcare coverage is granted Personal Leave Of Absence and does not have enough accrued PTO time to cover their employee's portion of the premium through the duration of the leave, arrangements will be made, whereby, the employee will be required to pay their portion of monthly premium by means of cash payment or personal check at the first of each month. If the employee fails to do so and goes into the arrears one month's payment, Goodwill will exercise their right to transfer the covered employee and any covered dependents onto COBRA coverage.

All corrective action will be handled by your immediate supervisor, Executive Staff Member, or the Director of Human Resources as appropriate. Unacceptable behavior which does not lead to immediate dismissal may be dealt with in the following manner. Note that progressive disciplinary action for **first offenses** may not always result in a verbal warning but may result in a written warning or suspension depending on the severity of the infraction. Also, **second offenses** may result in either suspension or immediate termination depending on severity as well.

STEP ONE - VERBAL WARNING

At this time the employee will be counseled. The unacceptable performance/conduct and the necessary corrective action will be explained. The verbal warning will be documented in the employee's personnel file and a copy will be given to the employee if requested.

SEE SECTION 9, PAGES 1 & 2 FOR APPEAL PROCEDURES

Employment and compensation with GWINWOH is "at will" in that employees can be terminated with or without cause, and with or without notice, at any time, at the option of either GWINWOH or yourself, except as otherwise provided by law.

If your performance is unsatisfactory due to lack of ability, failure to abide by GWINWOH rules or failure to fulfill the requirements of your job, you will be notified of the problem. If satisfactory change does not occur, you may be dismissed. Some incidents may result in immediate dismissal.

SEPARATION FROM EMPLOYMENT

Separation from employment may occur for several reasons. It may be an employee's choice to leave temporarily or permanently or it may result from disciplinary action taken by GWINWOH. An explanation of some common reasons for separation and what is expected of you follows:

VOLUNTARY RESIGNATION

Under normal circumstances, a two week advance notice should be given prior to a resignation. Supervisory staff are requested to give a written notice four [4] weeks in advance of a voluntary resignation. It will be considered a voluntary quit when an employee walks off the job, with no notice or reason being given to their supervisor or to personnel.

THREE-DAY NO CALL NO SHOWS

Any employee who fails to report to work and notify the Supervisor of his/her absence before the start of their shift, for three [3] [need not be consecutive] days is automatically taken off the payroll system. Failure to report for three days is considered a voluntary resignation.

LAYOFF AND RECALL

GWINWOH makes every effort to maintain sufficient work to avoid layoffs. However, due to conditions beyond our control, this is not always possible. If it is necessary for an employee to be laid off, every effort will be made to recall the employee when work becomes available. During a layoff, the employee is not paid wages nor given fringe benefits.

TERMINATION

Termination may become necessary when corrective action procedures have not resulted in desired improvements in behavior and/or performance or when the employee commits a serious violation of GWINWOH policy.

RETURN OF PROPERTY

Employees are responsible for all property, materials, or written information issued to them or in their possession or control. Employees must return all Goodwill property immediately upon request or upon termination of employment. Where permitted by applicable laws, Goodwill may withhold from the employee's check or final paycheck the cost of any items that are not returned when required. Goodwill may also take all action deemed appropriate to recover or protect its property.

CHECKS

Upon separation from employment, final checks are issued every other Friday for services performed for the (2) two week period ending the previous Friday at 12:00 midnight. Checks will be direct deposited into an employee's bank account(s) or paycard account.

FORMER EMPLOYEES

GWINWOH may consider a former employee for re-employment. All applicants are subject to GWINWOH pre-employment procedures. To be considered, an applicant must have been in good standing at the time of their previous termination of employment with GWINWOH and must have provided the minimum advance notice of their intention to terminate their employment with GWINWOH.

REINSTATEMENT OF BENEFITS (BRIDGING)

In the event you return to work for GWINWOH, regardless of the length of your previous employment and length of time since you terminated your employment with GWINWOH, your benefits shall accrue as if you were a new/first-time GWINWOH employee.

APPEAL/GRIEVANCE PROCEDURE

If an employee feels he or she has been treated unfairly or has a grievance, in connection with their own work or any condition of employment, the following procedures must be followed in a sincere effort to bring about a satisfactory in-house solution:

- STEP-ONE** Have a frank discussion with your immediate supervisor, or if necessary, go to the Director of Human Resources for preliminary counseling and advice. Every effort will be made to solve the problem at this level in an informal manner. If unresolved:
- STEP-TWO** Present the appeal, in written form, to your immediate supervisor within five days of the aggrieved incident. After five calendar days, the appeal will not be accepted for consideration. Your supervisor, once he or she receives the appeal, will give you a written response within seven calendar days of receiving your written grievance. If still unresolved:
- STEP-THREE** Present the appeal, in written form, to the department supervisor in charge of your department within five days of receiving the response from your supervisor. After five calendar days, the appeal will not be accepted for consideration. The department supervisor will give you a written response within seven calendar days of receiving your written appeal. If still unresolved:
- STEP-FOUR** Present the appeal, in written form to the President of GWINWOH within five days of receiving the response from the department supervisor. After five calendar days, the appeal will not be accepted for consideration. The President of GWINWOH will provide you with a written response to your grievance within seven days of receiving your written appeal. This is the final internal step in the grievance process. The final decision by the President is binding.

Any employee who does not follow this procedure is subject to having his or her appeal claim dismissed without review or comment. The employee or the employer may request an extension in writing of up to 10 calendar days for the purposes of gathering further information. This request may or may not be granted in writing, within one day by the opposite party.

A written record will be made of any appeal or complaint, with the resolution noted in your personnel record.

APPEAL PROCEDURE (CONTINUED)

Any employee may elect to have a fellow employee or professional staff member with him or her if he or she has communication problems. In most cases, the use of family members, relatives, or outside agents for this purpose will not be allowed. This representative may help the employee prepare the written grievance.

Any employee who has been terminated or suspended pending termination may continue to use the appeal procedure. All appeals are treated confidentially with information shared only with those persons who have a need or right to know.

This means that there will be no “stash” of merchandise anywhere in the store for employees to purchase later in the day. Items that are “given” to employees or dropped off by others or that are being held for any reason are considered holds if they are in the building or on the GWINWOH premise which includes outside areas such as sidewalks, dumpsters or related areas. Any item that is on GWINWOH premises (both inside and outside) is considered GWINWOH property. Excluding “normal;” personal items – (i.e. coats, boots, etc.)

B. All production goes directly to the sales floor and/or the designated area for trash, bale or salvage.

Employees are permitted to shop in the stores where they are employed only on their days off. All shopping will take place on the sales floor. Items not for sale include trash, bale, salvage, unprocessed merchandise and/or intended donations coming into the stores or donation centers.

D. Store managers will process all employee sales.

The Assistant Manager will process sales only in the absence of the store manager. The head cashiers will process sales only in the absence of the store manager and the assistant store manager.

E. Due to the lack of access to incoming donations, production rooms and its activities, administrative staff (employees based out of headquarters on Madison Ave.) are able to shop as long as they are not specifically assigned to a particular store for that day. If you feel this policy is being abused, please call the corporate compliance line (419)255-0070 ext. 6102.

REGULAR PART-TIME EMPLOYMENT BENEFITS

Employees working part-time receive their appropriate classification benefits, with the following differences.

VACATION AND SICK TIME

Vacation and sick leave are pro-rated according to the employee's work schedule. For example, an employee working 20 hours/week receives 50% benefits. An employee working 30 hours/week will receive 75% vacation and sick leave time.

FUNERAL LEAVE, JURY DUTY AND MILITARY PAY

Funeral leave, jury duty, or military pay time compensation difference will not be paid to regular part-time employees unless time away occurs during their scheduled work time and they are otherwise entitled to pay according to applicable laws and statutes.

VACATION

Vacation time will start accruing incrementally each pay period after the completion of the 90 day benefits lag period. The amount of vacation time accrued will be discussed by supervisor.

Vacation time can be carried over for two (2) years. After an employee has reached his or her vacation limit, vacation time will stop accruing until vacation time is used.

Vacation time can only be paid out after it is accrued, however, with approval of the department supervisor, up to five days of vacation may be taken in advance of accrual, with the following understanding:

In the event an employee takes vacation time in advance of accrued time in the calendar year and in the same year resigns or is terminated from employment, his or her final payroll check(s) will have pay deducted for those days taken but not earned.

Unused vacation time pay is granted an employee on separation from employment. Vacation time and duration must be requested using the payroll system's time keeping application at least two (2) weeks in advance and receive appropriate department supervisor approval before taken. In the event of conflicts in scheduling, the department supervisor will decide when employee's vacation time will be granted. Vacation may be used with the department supervisor's consent. Vacation will be staggered to maintain adequate coverage for all departments.

The amount of vacation time and pay will be based on the full or part-time regular employee's average time worked.

Vacation time balances are indicated on pay stubs which can be view on the online portal.

SICK LEAVE

Paid sick time will start accruing incrementally each pay period after the completion of the 90 day benefits lag period. Paid sick leave is a privilege intended to help employees who are forced to be absent because of legitimate illness or to take care of an ill immediate family member. Immediate family is defined as parents, legal guardians, brothers, sisters, children, spouses, grandparents, grandchildren, father/mother-in-laws, step-parents, daughter/son-in-laws and step children. It should not be used as additional time off for personal reasons, vacation, court appearances or the like.

Upon the discretion of employee's immediate supervisors, employees may use sick time for the care taking of other significant persons, currently living in the employee's household.

Sick leave for regular, full-time employees is accumulated at the rate of five (5) days a year. A portion of the annual sick leave is accrued each payroll period. Unused sick days will be carried over to the next year. An employee whose illness extends beyond accumulated sick time may use (with department supervisor's approval) accrued vacation time or arrange a personal (unpaid) leave of absence.

In the case of an employee using sick time as a caretaker of an immediate family member, the employee may use no more than their average annual accrual rate in one calendar year. For example, a full time employee accruing sick time at a rate of 1.54 hours bi-weekly may use a total of 40 hours per year.

In order to receive sick leave pay, you must notify your supervisor on each day of the absence [See Section VI - Absences]. A doctor's release (at the employee's expense) may be required in the cases of sick leave exceeding two (2) consecutive working days.

Upon return from any period of sick leave, it is the employee's responsibility to request paid sick time using payroll system's time keeping application in order to be paid.

Upon resignation or termination from employment, there will be no pay for unused sick leave.

Sick time balances are indicated on pay stubs which can be view on the online portal.
